Depending on bracket size, semifinals and championship games will be played accordingly:

- ❖ **Single 4-team bracket** – Top 2 teams after completion of round-robin games will compete in championship
- ❖ **Single 5-team bracket** – Champion determined by highest point total after completion of round-robin games

- ❖ **Two 4-team brackets** – Top team from each bracket will compete in championship

Division standings, leading to the championship round of play, shall be determined according to the following:

- a) Highest number of points accumulated with two points for a win, one point for a tie, and zero points for a loss or forfeit. A forfeit is recorded as a 4-0 win to the receiving team.
- b) In event of a two-way tie in point standings, advancement to the championship round of play is determined by:
 - 1) Winner of head-to-head competition.
 - 2) Team with most wins.
 - 3) Highest number of net goals scored (goals for minus goals against, up to a maximum of six per game).
 - 4) Fewest number of goals against.
 - 5) Penalty Shots.
- c) In the event of a three-way tie in point standings, advancement to the championship round of play is determined by starting with b2) above and progress until a point of differentiation is identified:
 - 1) If the differentiation shows one of the teams better than the other two, that team is determined the bracket winner. The remaining two teams restart the whole process again at step b1) above to determine 2nd and 3rd.
 - 2) If the differentiation shows one of the teams worse than the other two, that team is determined to finish 3rd. The remaining two teams restart the whole process again at step b1) above to determine 1st and 2nd.
- d) In the event that full game cancellations occur and rescheduling is not possible, and the game cancellation creates a situation where teams within the same division are unable to play an equal number of qualifying games, the group winner will be determined on the basis of average points per game played, followed by the normal tie-breaking procedure, if necessary.

Individual awards for up to 25 players and coaches will be awarded for both 1st place and finalist teams.

PROTESTS

Judgment calls by the referees are final, and may **NOT** be contested. No protests will be accepted and the tournament official's decisions will be final.

WEATHER

If the first half has not been completed and the game is stopped, every effort will be made to complete the game, or play to completion of at least the first half and record the score as final. **Note:** if necessary, game lengths may be shortened to accommodate scheduling requirements. It is the responsibility of each coach to check Tournament Headquarters for any reschedule information. However, in the event that first half completion or rescheduling is not possible because of weather conditions, results will be decided as follows:

- a) Team up by 3 goals or more shall be awarded a win.
- b) Score difference of 2 or less will be scored as a tie.

Games called during the second half are considered complete and will be scored according to the score at the time the game is called.
